

The Sanctuary

We all have times when our relationship with God seems stale and dry. Times when the pace of life, difficulties, worries or other things seem to push God to the margins.

Jesus said;

'Come to me all you who are weary and heavy laden and I will give you rest'.

The Sanctuary in the Old Testament was a symbol of where God's mercy met with those who came to seek him. For us at Clarence park this invitation is to do just that... to come and be with God in his Holy presence, allowing his mercy and grace to touch your life.

The Sanctuary is an opportunity to spend some time with God. To listen to his 'still small voice' speaking into your life.

It is a place of refreshment and peace.

It is a place of rest for the weary to find strength in God

It is a place of stillness where we can hear the voice of God.

It is a place of prayer and the presence of God.

It is a place of healing and recommitment.

It is a place to seek God and find him.

The Sanctuary includes times of quiet reflection and meditation. As well as giving the opportunity for prayer ministry, healing and anointing with oil.

It is a place where we explore together new and creative ways of spending time with God which help to refresh our souls!

Everyone who wants to come and spend time with God is invited to **the Sanctuary**.
