## From the M5

### ....Heading South

Leave the motorway at junction 21 and follow the signs for town centre A370, but please watch your speed as the speed limit along the dual carriage way is 50 and there are often mobile speed cameras out.

At all roundabouts go straight over till you get to the junction with MacDonald's on your left, Asda to your right and Homebase opposite.

Here the A370 turns left- this is the long way round to keep traffic out of the town. So from here go straight over on the dual carriageway, you will pass curry's, Staples, PC World etc...

Continue on this road till you come to the next roundabout (there are gas storage tanks on your left). Go Straight over, over the railway bridge and straight over at the next roundabout.

As you come into the centre of Weston turn left at the roundabouts into Walliscote road and drive down for about ½ mile.

The church is situated on the right hand side just after the park opposite Albert Road.

### ....Heading North

Leave the motorway at Junction 22. At the first roundabout turn right and continue along this road watching your speed because there are a number of speed cameras on this route.

Having passed Sanders garden world take the first exit at the next roundabout, and then go straight over at the cross roads and traffic lights.

Continue along the road until you eventually come down a steep hill bringing you to a round about where you will also see the hospital. Go straight over at this point and continue following the road around towards the sea front.

Once on the seafront continue along until you see the sea life centre on the left. Here you will need to turn right into Ellenbrough Park South. At the cross roads turn right into Walliscote road. The church is now a few hundred yards on your right opposite Albert Road.
