## ABOUT US

At Clarence Park Baptist Church our aim is to worship God and to serve the community in which we live.

We are ordinary people, from all walks of life, who have the same joys and sorrows, cares and concerns that are common to us all. Yet, we believe that God's presence in our lives gives us strength to face these difficulties. The teaching of the Bible and the love and support of this fellowship are all a source of hope and courage through good times and bad.

## OUR MISSION STATEMENT

We seek to bring people to Jesus, and together grow in our relationship with God and each other as we serve the community

### MISSION NEWS

Please pray for the Rubbish Campaign in Latin America run by young Christians who are passionate about ending the problem of plastic pollution. Young people in Bolivia and Columbia ran training sessions for pastors on how to care for the environment as well as meeting with Government and UN Staff. Thank the Lord that he has carried their voice into the corridors of power in their countries and beyond. This initiative is encouraged by Tear Fund. Please pray for these young people and others throughout the world who are concerned about the environment in which they live.
