MISSION NEWS

Bethlehem Bible College is, of course, in Bethlehem in the West Bank of Israel. Their vision is towards a society built on the words of the Gospel and the values of love, mercy, justice and truth.

This is a Palestinian Christian Evangelical University College that works with and through the Palestinian community to prepare leaders in Palestine who will promote the Christian Gospel locally and internationally.

The College has responded to the growing need of those wanting Christian Arabic training and has opened an additional campus in Nazareth in Northern Israel. The Nazareth Evangelical College has formed a partnership with the Association of Baptist Churches in Israel. The students have excellent academic Christian training and ministry opportunities.

This is such good news that so many folk in Israel want to learn more about the Christian Gospel and share it with others. Please pray for this work both in Bethlehem and Nazareth and give thanks for the many students who are studying in these places.

Pray too for the Christian work in Gaza and for a Pastor to lead the Baptist Church there. Many Christian folk have left the area to work in other parts of the world. Pray again for peace and stability in this land.

Maureen Price.
