Preacher: Steve Christian

Reading: Luke 17:11-19 ( church Bible pg 1051)

## ABOUT US

At Clarence Park Baptist Church our aim is to worship God and to serve the community in which we live.

We are ordinary people, from all walks of life, who have the same joys and sorrows, cares and concerns that are common to us all. Yet, we believe that God's presence in our lives gives us strength to face these difficulties. The teaching of the Bible and the love and support of this fellowship are all a source of hope and courage through good times and bad.

## OUR MISSION STATEMENT

We seek to bring people to Jesus, and together grow in our relationship with God and each other as we serve the community

## PRAYER DIARY –

Children are a precious gift from God. So, when the challenges of life come along, it's easy to fear for their futures and well-being. But praise God, we have the gift of praying for children we know and love, and those around the world who may be facing difficult times. Please join us this week as we pray for the children here in our church and also in our wider community.

### BMS

Chad continues to belong to the group of the ten least developed countries in the world due to its unstable government, widespread poverty, lack of access to health care, poor education, low income and high birth rate. These challenges combine with frequent natural and man-made disasters and the political instability of neighbouring countries. Pray for the long-promised democratic elections in Chad. Pray for leaders of integrity who will govern with justice, compassion and responsibility.
