ABOUT US

At Clarence Park Baptist Church our aim is to worship God and to serve the community in which we live.

We are ordinary people, from all walks of life, who have the same joys and sorrows, cares and concerns that are common to us all. Yet, we believe that God's presence in our lives gives us strength to face these difficulties. The teaching of the Bible and the love and support of this fellowship are all a source of hope and courage through good times and bad.

OUR MISSION STATEMENT

We seek to bring people to Jesus, and together grow in our relationship with God and each other as we serve the community

MISSION NEWS – BMS

The Developing Resilience Programme works in some of the poorest countries in the world, supporting livelihoods, delivering healthcare, raising standards of education, providing relief when disaster strikes, giving access to legal education and aid, and working through churches to reach out to their local communities

In a world where injustice is rife, BMS is providing legal education and legal aid to hundreds of disadvantaged people in Uganda and Mozambique. Pray that the Juris app would be accessible and effective in providing the information many need to understand their rights and access justice.

Give thanks that through our relief fund, BMS can support people displaced by natural disasters, war or persecution. Pray for comfort for all who have lost their homes, loved ones or livelihoods.

If you are worshipping with us today and would like us to contact you or visit, please tear off this strip and put it in the collection plate and we will get back to you asap.
