

# Clarence Park Baptist Church

## Question for Week following service 16 May 2021

Last Sunday we celebrated joining in worship with 5.2K members of our Baptist family for the Baptist assembly 2021 online worship service.

This week our connect groups have the opportunity to do something different.

**Table TALK™ is a game produced by The Ugly Duckling Company.**

**Charity No. 1173156**

As we come out of lockdown it is important that we stop and ask questions.

**Please take some time to reflect on each question and then share some of your answers together, occasionally and where appropriate explore the responses to see how your group can best help and support one another.**

**Online versions and questions can be found at:**  
<http://www.table-talk.org/>

At the end of the evening please take some time to pray about the answers given, to pray for one another and to pray for our communion, our church and the world.
