The Trustees would like to bring before you the following proposal.

Proposal:

In partnership with Clarence Park and Milton Baptist Churches we will offer a student placement to Louise Luft and provide financial support to Louise during this time (as detailed below) providing a minister-in-training student placement for Louise Luft from 24th April 2023 until 31st July 2024 (approx 15 months).

Louise who lives in Nailsea with her family spent 6 weeks working alongside Steve at CPBC last June as part of her college placement, is currently in her final phase of study at Bristol Baptist College as a minister in training and requires a placement to complete the requirements of her course and gain experience in all aspects of ministerial work and possibly mission based projects. We have been prayerfully considering this opportunity and had discussions with Bristol Baptist College, the Regional Team and the other churches to ensure that we understand what time Louise would need to support her ongoing college commitments and study time, and what time she would have available to the churches; this does vary during term time and college holidays. We would need to commit to ensuring that she has the required management and pastoral support throughout her placement and firmly believe this is possible to achieve.

We would plan for Louise to do blocks of time with each church; during these blocks of time she would have a named church where she was primarily placed but would still be linked to all three churches.

In meeting our financial commitment to this partnership CPBC would fund £6k over the 15 month placement. The other churches will also be providing this level of funds. Whilst we would all have shared oversight of the placement, Milton Baptist Church are willing to lead on the financial administration it would involve.

The Leaders of Clarence Park Baptist Church have prayerfully considered this opportunity for Louise, for us as a church and for the Weston Baptist Churches. We all feel that it is God's plan for this to happen, as we further collaborate in our working together as a Weston Baptist Family in what we feel we could provide a wonderful opportunity for Louise and support her on her journey; we are committed to make this succeed.

We are therefore asking you as a church to approve that we use £6000.00 of our legacy fund to enable this placement to happen for Louise here in Weston. Minton Baptist and Worle Baptist Churches are also committing the same funds.

We are happy to answer all your questions at the AGM but we would like you all to pray into this idea and come prepared.

Liz Speakman Church Secretary
